Special Offer Midweek Weddings

(Monday to Thursday inclusive)

With the current economic climate and with many dates booked eighteen months in advance, Monday to Thursday weddings are becoming the new wedding trend. If you've never considered a midweek wedding there are many advantages:

- Availability – no need to wait for over a year for your big day
- Venue Hire – the wedding venue of your dreams at a fraction of the cost
- Catering – package prices for midweek days are lower too
- Suppliers – photographers, florists, DJs and others may offer mid-week discounts and are more likely to be available

By sending out invitations or “save the date” cards in advance, most guests, even those with work commitments, will be able to arrange time off for a midweek wedding.

What's more, it will be fun for your guests to think they will be enjoying themselves at your wedding when they would normally be at work!
